Special Rewards

We want to reward those who put in extra effort and get at least two Parcel NFTs.

Get 2 or more to receive \$HTO and partnered collections airdrop

As you know, \$HTO will serve as the native currency of the Heaven Land economy and will be one of the most critical aspects of the Metaverse.

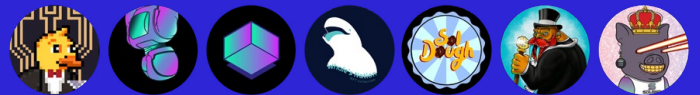

- **Total airdropped:** 100,000 \$HTO

- **Airdrop share:** based on the number of Parcel NFTs an address gets (the bigger the coefficient, the bigger the \$HTO reward)

Minted	2	3	4	5	6	7	8	9	10
Coefficient	2	3	5	8	13	21	34	55	100

Some of our partners show their determination to get to the Metaverse by **joining the airdrop** with some of their NFTs. What collections are joining?

- 3x Dapper Ducks NFTs
- 20x Anonymous NFTs by Solanauts
- 10x Solamids NFTs
- 10x Whales Nation NFTs + 1x Baby Whale
- 10x SolDough NFTs
- 5x SolBouncers NFTs + 500 Tusk
- 2x Piggy Sol Gang NFT (1 Male, 1 Female)

Every address that gets two or more Parcel NFTs has an **equal chance** to obtain any NFT from these airdrops.

Get 5 or more to receive lifetime perks

The first public mint is one of the most significant milestones in Heaven Land's history, and we want to offer additional perks to anyone that express support at the current stage and gets five or more Parcel NFTs.

- Lifetime access to the **private group** will allow sneak peeks to new materials, premium content, or other bonus offers presented throughout Heaven Land's journey.
- A real name or nickname (based on a preference) will be placed forever on the **Wall of Early Supporters** in Heaven Land. Everyone who enters the Heaven Land will see this wall. Companies can use this space to put their name and expose themselves on the wall.
- **Whitelist for the Avatar NFTs sale** will be granted, allowing minting of advanced Avatars for later use in the HL game.
- **Early access** to the platform testing.

Rules

- Parcel NFTs must be owned by 1 wallet 48 hours after the second round of the mint starts.
- How the Parcel NFTs are obtained doesn't matter - they can be minted, gathered from other addresses or obtained from secondary marketplaces.
